WHEREAS, the Barangay as a Local Government Unit is primarily responsible to provide for health and safety, promote the prosperity, improve morals, peace, good order, comfort and convenience of the local inhabitants therein:

WHEREAS, the request for such assistance is for the benefit of all our constituents in Barangay San Isidro and also in the other neighboring Barangays in the province of Rizal;

WHEREAS, the said fire truck was the very first barangay fire truck not only in the Municipality of Taytay but in the entire Province of Rizal which became the precedent for the other barangay to acquire their own fire truck due to the necessity of the said equipment;

WHEREAS, the said fire truck had been very useful in providing varied services and assistance for almost 10 years during fires not only in Barangay San Isidro but also in other 4 Barangays in the Municipality of Taytay;

WHEREAS, the said fire truck is also being used to provide services during typhoon and other calamities not just in Barangay San Isidro but also in the other neighboring Barangay in the Province of Rizal;

WHEREAS, having no other alternative means to provide services during those calamities, the said equipment had greatly depreciated that the need for an overhaul/repair is significantly important to continue in providing safety, peace and good order of the inhabitants therein;

WHEREAS, inspite of the enormous effort of the Barangay to properly maintain its Fire Truck, its frequent use however, and with so much tremendous wear and tear had rendered this 10 year old vehicle now incapable of giving its full public service therein;

WHEREAS, Sec. 440 of RA 7260 known as the Local Government Code of 1991; "The role of the Municipality; The Municipality consisting of barangays, services primarily as a general purposes government for the delivery of basic, regular and direct services of the inhabitants within its territorial jurisdiction;
